Wound Healing and Infusion Center at

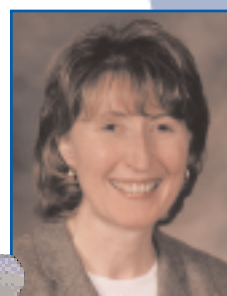

The Wound Healing and Infusion Center at Ottumwa Regional has just realized it's first patient. Connie Berry of Fremont was seen on January 10th, 2007. The new Center assists patients with wound-healing problems, utilizing a team approach and highly specialized care.

Partners In Safety

At Ottumwa Regional Health Center, your safety is our main concern. We ask that you and your family be active in your care and speak up whenever you have questions or concerns.

For Your Safety...

We will check your name and birthday before giving medicines, taking blood or x-rays. If you are in the hospital, we will check information on your arm band. If you are here for an outpatient test or procedure, we will ask for your birth date.

If you have a question or concern, please contact any member of your health care team or the Patient Representative at 641-684-2420. If your concerns have not been resolved, you may also contact the Joint Commission to report a complaint at (800) 994-6610.
